foreword

As you pass hurriedly by during the evening hours, have you ever paused a moment to look at the lights which brighten the doors of our school? If you have, you might have considered the true value of education. Because Peoria High School fosters our quest for a successful future, may we now show you in this, our 1958 CREST, some of the individual lights burning within its halls.

dedication

The theme of our book, which has been suggested by word and picture, is light. Therefore, the Editors of our book searched the staff and personnel of Peoria High School for the individual who would portray such a quality.

The person we are honoring has given many

years of faithful service to the students of Central and the parents of Peoria. Fellow teachers respect her and seek her counsel. She has served her profession with honor and dignity.

Therefore, we the members of the Crest Staff wish to dedicate the 1958 Crest to

Miss Florence I. Giles

GUIDELIGHTS

A change in leadership

A change is taking place at Peoria High School, a change that has occurred only thirteen times in its history. With the departure of Mr. Max Mills will appear in the chair behind the principal's desk which Dr. Howard Hunter has occupied for the last year. From this vantage point, problems have been solved, decisions made, and many students given guidance. As the school has been so ably administered in the past, we are confident that it will still be met with the same success.

LL.D. adds stars to crown

A milestone in the life of Principal Howard Hunter occurred October 21, 1957, when Monmouth College conferred a doctorate upon him for his devoted and rare, fruitful and distinguished service to higher learning and distinguished service. Expressing that feeling of respect and admiration it is every man's duty to acquire a much education and service. Hunter has given to his alma mater a great deal of his time and energy.

Miss Florence Poshard

Dean of Girls

When a girl first enters Peoria High School, her immediate counselor and guide is our Dean of Girls. The student is not without friends, for the capacity of our dean is not limited to administration; hers is an extended hand of friendship.

It takes more than a title to become a dean of girls. It takes understanding, knowledge of the problems of youth, and a sincere desire to aid. Endowed with these qualities, Miss Poshard advises and gives confidence to Central's girls.

Mr. Harvey Tucker

Assistant Principal

In his first year at Peoria High School, Mr. Tucker has capably handled the problems of many students. As Assistant Principal, he has easily adjusted to our curricular and social life. Our students and faculty have formed an ever increasing admiration of and appreciation for his administrative abilities as they function effectively in a smoothly run organization. We are looking forward to many years of his leadership.

teachers and classmates made his three years
truly rewarding experience for him

Seated—Bob West, Vice President; Steve Tucker, Secretary; Ann Barnos, Treasurer.
Standing—Karen Cowan, President.

Juniors gain place in the sun

Seated—Mr. Myers, Miss Peterson.
Standing—Mr. H. Suffield.

As the year began, we realized with pride that we were at last upperclass men. We worked hard together on a stunt show that we'll always remember. We settled down to work and took a number of tests which reminded us that college days aren't too far away.

The Junior Class once again won the magazine campaign, a tradition we have kept since we were Freshmen. Everyone co-operated in producing our Junior Prom with its Hawaiian theme which we sponsored with pride. Our class rings finally arrived, and will remind us always of our years at P.H.S.

Now we are looking forward to our final year at Central, and we are hoping that we will enjoy it as much as we enjoyed our first three.

With a great stunt show

Sophomore fires burn brightly

Mr. Deal, Mrs. Herke, Mr. Bielema.

We, the class of '60, were proud to realize as the year started, that we were no longer the newest class at Central. Our efforts were devoted at first to producing our stunt show, of which we are justifiably proud. We learned many strange and interesting facts in our geometry and biology classes. The dissection of our frogs was an experience we will never forget, and a few of our more skillful dissectionists were fortunate enough to obtain the coveted Doctor of Frogology degree.

The past two years have given us memories and experiences that we will never forget, and we are looking forward hopefully to what our last two years will bring us.

Our geometry lines

Freshman torch is lit

Seated—Miss Albright,
Standing—Mrs. Torre, Mr. Hawkins, Mr. D. Whitaker.

Wondering what was in store for us, we began our Freshman year. We were faced with what seemed to be an endless barrage of new problems which we had to solve. However, we finally got used to stacked lockers and elevator passes, and took them in our stride. Everyone had fun in putting on our stunt show, which was our first coordinated activity as a class. The football and basketball games were new experiences for us, and we showed our school spirit in cheering the team.

We will continually remember our first year at Central. The experiences we gained and the friends we made will stay with us for the rest of our school years.

LIMELIGHTS

The O

organizations

Activities highlight our life of learning

One light that has never ceased burning is that provided by our extracurricular activities. Although our studies require much of our school life, the necessary sparkle is added by our organizations. True to the proverb, "Variety is the spice of life," our clubs help make our high school career a memorable one.

Robert (Bob) Coker

President of Student Council

"And with this oath, you are now officially installed as president of the Peoria High Student Council."

These words were the beginning of a wonderful and experience-filled year for Bob Coker, as well as for our high school. Hard-working and always loyal, Bob is a credit to Peoria High. Participating

in basketball and tennis, membership in Junior National Honor Society, and serving on Student Council as treasurer have been just a few of his varied activities during his high school career.

His service to our school has made Bob Coker a most outstanding and deserving student.

A CRIST photographer catches Student Council at work

"Always striving, never stopping," seems to be one of Student Council mottoes. The school governing body is constantly striving to set the pace for all student activities. With Mr. Whitaker as its advisor, its services include editing the Student Directory, operating the Student Council Supply Booth, and organizing Homecoming, school elections, and packing Christmas baskets for needy

families.

Student Council officers are elected every spring by the student body. A characteristic of Council includes the House of Representatives, which represents all homerooms. Student Council insures government "of the students, by the students, and for the students."

RICK ALLEN
President of Committee of 40

"Let's have the dance at the Pere Marquette!"
"But the girls' gym is cheaper and has a more sporty effect!"

This argument was all in fun, but it symbolizes the unity and good-will with which our Committee performs its services to the school.

Under the direction of Mr. O'Toole, the Committee's duties include organizing the school's social affairs such as dances, operating the Rec, and promoting general school spirit. Healthy fun is the goal of the social committee.

Each class is represented by eight members. These students, constituting the Committee of 40, have done a remarkable job making our late, loafing hours laden full of laughs!

dramatic honor society

"We are happy to announce you have been selected to join Dramatic Honor Society." What PHS student would not cherish such a notice? Dramatic Honor Society, sponsored by Miss Lamberton, is composed of seniors who have taken part in the Senior Class or Jusenra plays and who are judged best by three outside judges at each performance. Ability and hard work are credits of the students chosen for this society. Membership in the Dramatic Honor Society is highly coveted in PHS life.

New members of the Dramatic Society are—TOP ROW: G. Youngs, J. Rogers, J. Gilmore, J. Day. BOTTOM ROW: P. Batten, M. A. Farley, G. Poplow

quill and scroll

"With this pin, you have been elected to a Quill and Scroll membership." Each year as the new recipients of the Quill and Scroll pin are initiated into this international journalism honor society, something of the same idea is said

To be asked into this society is an outstanding

significance which happens to any junior or senior journalist who has worked diligently and well on either the school yearbook or newspaper. Ranking in the higher brackets of their class, these members are rightfully proud to be honored for their achievements

senior national honor society

"Please report to the auditorium immediately. You have been selected for membership in the Senior National Honorary Society," is perhaps an honored student's most cherished remembrance of his high school achievements. Selection for this society, open only to seniors, is based upon a student's scholarship, leadership, service, and character during his high school career. Membership is a coveted goal for which every Peoria High student should strive.

junior national honor society

"The Junior National Honor assembly will be today." This announcement culminates a sophomore's goal for membership in the Junior National Honor Society. Only sophomores are eligible for this honor, based solely upon a student's scholastic achievements during his first two high school years. Satisfaction for a "job well done" is certainly a deserved privilege in return for the hard work displayed by these superior students.

crest editorial staff

"Our yearbook cover decision will be made today; all of the CREST staff is to be here 'A' lunch period," is a sign to the Editorial Staff that a major milestone in the production of the CREST is present. Working daily throughout the year, this staff, directed by Mr. Fluegel, works continuously to create a better and more memorable yearbook. Everyday school life and experiences are depicted throughout the theme of the book while sports, activities, faculty, classes, art, and seniors are interwoven into the basic pattern.

"Dear Toodles . . . I have a suggestion for P.H.S." This, the "Dear Toodles" column, is one of the newest and most successful features of our newspaper, the Opinion

The Opinion, issued bi-monthly, is published by those Peoria High School students interested in journalism and current events. Advised by Mrs. Chamness and Mr. Byers, the Opinion has made

several modern changes this year. "Op-Hop," a dance sponsored by the Opinion staff, and several candy sales were held to raise funds for a bigger and better paper

The Opinion is for the students of PH.S. It strives to bring news of interest to all subscribers, supplying them with a knowledge of timely topics.

"Take it home and woodshed it" Mr. Stoskopf, band director, is often heard telling the band members. This common phrase using the woodshed as meaning a place where one is free to practice is a common joke around the band room. Meeting first hour daily, the seventy-five members of our P.H.S. band practice for perfection. As they perform at all home football and basketball games

and pep assemblies these students give Peoria High supporters a true feeling of pride. The band participates in the Mid-State Light Festival, the Bradley Music Festival and an annual Spring Concert. While learning to play his instrument better, each band member gains a new and greater loyalty towards P.H.S.

This is truly a "Trumpeters' Holiday" agrees Fred Sattler, Billy Booher, and Dave Bateman.

Mr. Stoskopf

Honored to receive places in the All State orchestra are—Susan Sterrett, Concertmaster, Beki Lord Second chair flute, Fred Saettler, First chair trumpet; Dave Szepessy, First chair cellist

orchestra

The string instruments all began with the full orchestra in 1927. These words have a meaning to all PHS orchestra members. The growth of the orchestra is due to the direction of Mr. Szepessy. The orchestra's main

program of the year is the annual Spring Concert. The group has participated in the All State High School Festival. Under excellent direction, the orchestra is one of the best groups in Plover High

music workshop

"Music is what you create it." This phrase may well be the constitution of the PHS Music Workshop, directed by Mrs. Linder. Operated since 1946, the club is open to all students interested in music. Interest creates appreciation

and at this is exemplified in the club's yearly program. At its monthly meetings the Workshop presents a variety of musical programs composed of student talent both vocal and instrumental.

"Guten Tag, Knaben und Mädchen" is a phrase the German students at Peoria High can look forward to hearing at each meeting. "Good day, boys and girls" summarizes the friendly atmosphere of our active and interesting German Club.

German Club program is extremely and quite interesting. Besides the annual Christmas party

and the picnic, the members can expect very worthwhile meetings each month planned under the supervision of the sponsor, Miss Ziegler. On the agenda are interesting readings and pictures of Germany and studies of great German musicians, writers, or scientists. German Club proves that PHS students can learn to love the German language at the same time.

stage crew

"The show must go on!" The stage crew has uttered this countless times after scenery fell or a prop broke. This group, under the supervision of Mr. Lurie, is noted for its quick, efficient work on the stage during an assembly, a pep rally, or a play. The crew is made up of boys interested in stage management who are willing to give up considerable time to stage operations.

projection crew

"This movie was shown by a member of the PHIS Projection Crew." How many times this should be said after an instructional film is shown in class! The group is made up of boys interested in operating movie and slide projectors for the different classes around school and is supervised by Mr. Bauder. They willingly devote study hall time to this task. An appreciation of this crew's service is certainly well-deserved.

PHOTOGENIC QUEEN
F '58

Steve Allen NBC TV Star

The CREST Staff wished to give recognition to the most photogenic girl in the Senior Class

To do this the staff decided that the judge must be one who is well known in his excellent taste for loveliness. Immediately Mr. Steve Allen was contacted and he very graciously underwent the task of picking the most photogenic portrait.

Therefore, we present Steve Allen's choice.

JANICE HOLLING

Our year began in trusted hands as Bob and Tom pledged themselves to the P.H.S. Student Council.

Here is our "light" brigade, treasuring for us some of the spotlights of our social year at P.H.S. Using our "Central Will Shine Tonight" pep song let's see how light has brightened our year and our memories.

(left), A. M. (left), B. (left), J. Bxby, mgr.

Jim Johnston, guard; Bob Smith, guard

The 1957 football team successfully inaugurated Corky Robertson's first year of varsity coaching by compiling a 6-2-1 record. A heart-breaking loss to Woodruff and big wins over highly-rated Champaign and Manual provided the more memorable moments of the season.

Named Most Valuable Player was All-City halfback Al Mallory. Credited as Most Improved Player was Ray Hall, while Red Stamm won the title of Player with the Best Attitude. Leading the few returnees from this year's predominantly senior team will be 1958 Captain, Dave Radley.

cross-country team strides through winning season

Paced by juniors John Beattie and Gary Michel, Coach John Deal's cross-country men had a fine season, winning 8 of their 12 dual meets and placing 4th out of 21 teams in the Peoria High Invitational. High point of the season came when the team ran away with the district title, enabling them to go to state for the sixth straight year. The future looks bright as only two of the top ten runners are lost by graduation.

young squad sweeps through regional

Getting off to a slow start, the Central Lions made a couple of mid-year additions and came on strong at the end of the year. In the closing weeks of the campaign the team won three out of their last four games and swung into the tournament in top form. While Central knocked off Metamora

and Richwoods, Washington slipped past favored Manual. In the finals the Lions walloped Washington to win their third straight regional title. First round of the sectional saw us bow to favored Spalding. With nearly all the team returning next year we should have a great future.

diamondmen win 22—drop only 4

The 1957 baseball team ran up a glittering 22-4 record. Among the victories were a double-header at Champaign and at least one win over each of the teams that beat them. Ironically, one of their few defeats was a one-run decision by Manual in the Regional final. Heading the hitting de-

partment were Paul Weishoff at .400, Ando Teder with .348 and Norm Green at .310. The pitching staff was led by Gary Yates sporting an 8-1 record and Ando Teder at 7-1. Gary struck out 67 opposing batters while Ando fanned 66. Congratulations to coach and team for a fine season.

racket squad takes city, greater-peoria titles

Schwartz backhands smoothly

The tennis team of 1957 submitted a very successful season, ending the satisfaction of defeating arch foe Pekin for the first time in ten years. This victory enabled them to tie for the Greater Peoria title. With most of the leading lettermen returning, including Captain Bob Coker, 1958 promises to be a great year.

PEORIA, ILLINOIS

Jim Morgan and Bob Coker are conversing about the new spring wearing apparel from Heller's

Knowledge... the key to your future!

Wise men know that knowledge is the key to the future. Knowledge is a search for truth... and truth is sometimes stranger than fiction. Happenings in the world today are more unusual and exciting than any mystery novel. The world is big... complex... strange... and yet it has a fascinating story to tell.

True adventures are waiting for you in the great books of learning. All the world's knowledge, wisdom, and experience are yours for the taking. All the wonders of our age are at your fingertips.

High school and college offer you this knowledge in courses like physics, history, chemistry, English, biology, and mathematics. In these courses you can better understand things such as sound and sight, atoms and anatomy, equations and electrons, government and grammar, or many other phenomena of nature and society.

Today... business and industry require an increasing knowledge of the world about us in jobs offered to young people. Tomorrow... even more education and training will be needed!

Such preparation today... can mean much to your success tomorrow.

the man who knows... gets ahead!

Cosmopolitan, cultural, cordial . . .

Bradley University

Bradley University is one of the nation's strong medium-sized universities.

Bradley University is large enough to offer a wide variety of courses and activities—small enough to be friendly and personal.

Bradley University maintains the highest accreditation, a distinguished faculty, and a broad curriculum with more than sixty major fields of study.

Bradley University has more than a hundred clubs, sororities, and fraternities, offering a wide range of activities and interests.

Bradley University possesses an excellent Air Force ROTC unit.

Bradley University has a cosmopolitan student body, personal student-faculty associations, and a highly cultural free lecture-arts program.

Bradley University has a place for you.

Professional Nursing as a Career

THE METHODIST HOSPITAL OF CENTRAL ILLINOIS - SCHOOL OF NURSING

The Methodist Hospital of Central Illinois, a modern 400 bed institution, is accredited. It has a well qualified Faculty, modern teaching facilities, and Student Association organization.

The School of Nursing offers two programs in professional nursing as a career. Students may choose the (1) Diploma or (2) Degree program in nursing. In the Diploma Program, the student pursues the regular three year basic nursing curriculum. In the Degree Program, the student pursues a collegiate course of study in affiliation with Bradley University, Peoria, Illinois, or with Illinois Wesleyan University, Bloomington, Illinois, and earns two degrees in a minimum of four years. All classes enroll annually in September.
